Applicant hereby requests reconsideration of the Decision Refusing Status Under 37 C.F.R. §1.47(b) dated May 5, 2006, a copy of which is enclosed herewith.

In the decision, the petitions examiner indicated that the only remaining item required for the petition to be grantable is an oath or declaration signed by the Rule 47(b) applicant.

Enclosed herewith is a copy of the declaration of inventorship listing the citizenship, last known residence and last known mailing address of the legal representative and including a signature by the attorney for the Rule 47(b) applicant. A

brief statement of the Rule 47(b) Applicant's relationship to the deceased inventor is included on the enclosed declaration and further details of such relationship were previously submitted in various other documents in support of this petition including the Declarations of Andrew Solomon and Robert D. Buyan.

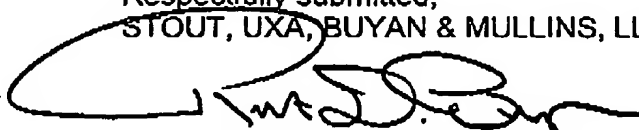

It is believed that all requirements for granting of the petition under 37 C.F.R. §1.47(b) have now been met. Granting of the instant petition is respectfully requested.

If for any reason this petition is not deemed grantable based on this reply it is requested that the Petitions Examiner telephone Applicant's undersigned attorney to discuss any further measures that may be taken in order to place this petition in condition to be granted.

A three (3) month extension is hereby requested under 37 C.F.R. §1.136. The Commissioner is authorized to deduct the small entity fee for such extension as well as any other fee properly deemed to be due in connection with this filing from Deposit Account No. 50-0878.

Respectfully submitted,

Response due 7/5/06In re Application of
Xiangfeng Dai
Application No. 10/672,926
Filed: September 26, 2003
Attorney Docket No. CRICP-001ADECISION REFUSING STATUS
UNDER 37 CFR 1.47(b)This is in response to the "REPLY TO DECISION", filed
April 6, 2006, which is being treated as a renewed petition under
37 C.F.R. § 1.47(b).ENTERED
DATE 5/9/06The renewed petition under 37 C.F.R. § 1.47(b) is DISMISSED.

Rule 47 applicant is given TWO MONTHS from the mailing date of this decision to reply, correcting the below-noted deficiencies. Any reply should be entitled "Request for Reconsideration of Petition Under 37 C.F.R. § 1.47(b)," and should only address the deficiencies noted below, except that the reply may include an oath or declaration executed by the non-signing inventor. **Failure to respond will result in abandonment of the application.** Any extensions of time will be governed by 37 C.F.R. § 1.136(a).

The above-identified application was filed on September 26, 2003, without an executed oath or declaration. Accordingly, on January 5, 2004, the Office mailed a "Notice to File Missing Parts of Nonprovisional Application - Filing Date Granted," requiring an executed oath or declaration and a surcharge for its late filing, together with the statutory basic filing fee. This Notice set a two-month period for reply.

In reply, applicant filed the a petition on July 12, 2004, and paid both the petition fee, the surcharge for late filing of the declaration, and the statutory basic filing fee. To make timely this reply, applicant included a three month extension of time

Application No. 10/672,926

and a Certificate of Mailing dated July 6, 2004.¹ However, the petition was dismissed in a decision mailed on February 6, 2006. Rule 47 applicant: (1) failed to show that the legal representative was presented with the application papers; (2) failed to submit a proper oath or declaration; (3) did not provide a statement of the last known address of the legal representative; and (4) did not establish irreparable damage.

With the instant petition, Rule 47 applicant still has not submitted a proper oath or declaration. The declaration is proper in that it identifies the deceased inventor, together with his citizenship and mailing address. The declaration also properly identifies the non-signing legal representative, together with her information. However, the declaration is not signed by the Rule 47(b) applicant. As stated in MPEP 409.03(b):

In addition to other requirements of law (35 U.S.C. 111(a) and 115), an application deposited pursuant to 37 CFR 1.47(b) must meet the following requirements:

(A) The 37 CFR 1.47(b) applicant must make the oath required by 37 CFR 1.63 and 1.64 or 1.175. Where a corporation is the 37 CFR 1.47(b) applicant, an officer (President, Vice-President, Secretary, Treasurer, or Chief Executive Officer) thereof should normally sign the necessary oath or declaration. A corporation may authorize any person, including an attorney or agent registered to practice before the U.S. Patent and Trademark Office, to sign the application oath or declaration on its behalf. Where an oath or declaration is signed by a registered attorney or agent on behalf of a corporation, either proof of the attorney's or agent's authority in the form of a statement signed by an appropriate corporate officer must be submitted, or the attorney or agent may simply state that he or she is authorized to sign on behalf of the corporation. Where the oath or declaration is being signed on behalf of an assignee, see MPEP § 324. An inventor may not authorize another individual to act as his or her agent to sign the application oath or declaration on his or her behalf. *Staeger v. Commissioner*, 189 USPQ 272 (D.D.C. 1976), *In re Striker*, 182 USPQ 507 (Comm'r Pat. 1973). Where an application is executed by one other than the inventor, the declaration required by 37 CFR 1.63 must state the full name, residence, post office address, and citizenship of the nonsigning inventor. Also, the title or position of the person signing must be stated if signing on behalf of a corporation under 37 CFR 1.47(b).

(B) The 37 CFR 1.47(b) applicant must state his or her relationship to the inventor as required by 37 CFR 1.64.

¹ However, as a four month extension of time was necessary, Deposit Account No. 50-0878 was charged the amount of \$265, representing the difference between the \$740 fee for a four month extension of time and the \$475 fee for a three month extension of time (fees in effect on the petition filing date).
